

**You are invited! 8 AM study group
“The Finite-Infinite Relation”
a small group, Saturday Mornings,
at Corner Bakery —on west side I-35
just off Round Rock Avenue [620]**

**If you don't like religious people
but you're married to one,
this group is for you.**

*If you like to make fun of people
who believe in God, but you would
also like to get along with them (your
family and friends), this group is for you.*

*If you are not a spiritual person, but you have a lot
of friends who are, and you want some new tools to
reach out to them, this group is for you.*

Call Bruce Camber, 214-801-8521 to RSVP
(limited space). For more: <http://81018.com/updates>

**If your heroes include
Richard Dawkins, Daniel Dennett,
Sam Harris, and/or Christopher
Hitchens, this group is for you.**

*If you think the big bang theory
isn't complete and has problems
this group is for you.*

**Yes, you are invited to our study
group on finite-infinite relations to
gather on Saturday Mornings, 8 AM
at Corner Bakery, on west side of
I-35 just off Round Rock Avenue [620]
